### SHARPS DISPOSAL CONTAINERS

The Horsleys Sharps Disposal box is a rigid, tough, distinctively bright yellow plastic box with a secure lid that allows you to dispose of used needles and syringes safely.

Horsleys Sharps Disposal Containers are available in a wide range of sizes, from the 0.2 litre sharps box, weighing only 55g and just 14.6cm high, right up to our 30 litre container suitable for public-access areas. Sharps boxes can be supplied in large quantities, so please contact us to discuss your sharps disposal requirements.

The Horsleys Sharps Disposal Container is the safest, most flexible sharps disposal system available.

- ✓ Non-return 'petal' opening
- ✓ Safe and strong
- ✓ Lightweight
- ✓ Convenient sizes
- ✓ Manufactured in the UK
- ✓ Complies with UN 3291, BS EN ISO 23907:2012 and NF-X-30-511 standard

### Luxury Coffee Syrup

- ✓ Convenient single-serving sachets
- ✓ Caramel, vanilla and hazelnut
- ✓ Available in any quantity
- ✓ Manufactured in the UK
- ✓ 100% natural ingredients
- ✓ No added free sugars

A little something sweet makes a good thing even better and little luxuries add value to your customers' experience and make them come back for more. That's why Horsleys would like to introduce you to this range of delicious coffee syrups from Virtù, turning a workaday beverage into a sensuous treat.

Our luxury coffee syrups can be shipped in any quantity and combination - please ask for details.

### Sanisnap Hand Sanitiser

- ✓ Kills 99.9999% of harmful, bacteria, viruses and fungi
- ✓ Large or small quantities available
- ✓ 8 hours of anti-microbial protection
- ✓ Fragrance-free
- ✓ Kind to skin
- ✓ Alcohol-free

Just fold snap and apply for eight hours of active protection against bacterial and viral infections.

For those times when you just can't get to a tap, such as working outdoors or on the move, an anti-bacterial hand sanitiser is the best alternative to a thorough wash with soap and hot water.

### Galley Cleaning Wipes

- ✓ Independently tested to BSEN Standards
- ✓ Kills MRSA and E Coli within 30 seconds
- ✓ Kills Norovirus and NDM1
- ✓ Up to 30 days' protection
- ✓ Manufactured under ISO 9001
- ✓ Kind to skin
- ✓ Non-flammable

A single use wipes out MRSA and E coli within 30 seconds and kills norovirus, NDM1, C diff and salmonella. And yet they're tested to be safe to use when you're handling and eating food.
